A special meeting of the Handy Township Board of Trustees was called to order at 9:30 A.M. by Supervisor Alverson at the Handy Township Water Plant, located at 8675 VanBuren Road.

Trustees present: Eisele, Munsell, Roddy, Alverson. Absent: Shear

Also present: Luke Downing, Dave Stinson, Aaron Franks, Northern Pump & Well- Dave Stinson and Marty.

Approval of Agenda:

MOTION EISELE SUPPORT RODDY TO APPROVE THE AGENDA AS AMENDED. MOTION CARRIED.

Brief Public Comments: Aaron Franks of The Red Cedar Crossing HOA, inquired if door hangers could be used to notify residents of the work to be completed on the well, as opposed to ringing doorbells and/or knocking on residents' doors. He stated that many residents work 3rd hour shifts and are sleeping during the day.

New Business

- A) Review/Discussion on the proposed work to be completed on "well #1" at the Red Cedar Crossing Subdivision. Questions were asked on how the well works and provides water to the residents, as well as the need to use chemicals to clean the well. Representatives from Northern Well provided information on the findings of the condition of "well #1" which needs to be cleaned due to iron build up. During the cleaning process, the water will need to be shut down for a minimum of four hours. It was advised that all sprinkler systems both residential and in common areas will need to also be shut off for at least one to two hours before work begins. Options were presented for cleaning the well during the day, versus cleaning it at night. If the work is done at night, upgrade fees for work will be incurred. Discussion was also held regarding the condition of the remaining two wells, and a plan was made to revisit this issue in the fall.

MOTION EISELE SUPPORT RODDY TO GO FORWARD WITH THE CLEANING OF WELL #1 AT RED CEDAR CROSSING WITHIN THE NEXT FEW WEEKS, WITH WORK TO BE COMPLETED AT NIGHT WITH AN APPROXIMATE BUDGETED COST OF \$16,000. MOTION CARRIED. MOTION WAS THEN AMENDED BY EISELE AND SUPPORTED BY RODDY TO INCREASE THE BUDGET FOR REPAIRS/CLEANING TO WELL #1, FROM \$16,000 TO \$17,500.
